

MEET THE PROVIDER

Tayla Banks, PA-C

Tayla Banks, PA-C, is a board-certified Physician Assistant committed to delivering compassionate, patient-centered care. Originally from Greenwood, Mississippi, she graduated Magna Cum Laude from Xavier University of Louisiana with a Bachelor of Science in Biology before earning her Master's in Biomedical Sciences from the University of Mississippi Medical Center. She later completed her Master of Science in Medicine at Mississippi College, graduating as valedictorian of her PA class.

Before becoming a PA, Tayla worked as an Emergency Room Technician at a Level I trauma center, gaining valuable hands-on experience in acute patient care. She joined ReVive Orthopedics in October 2022 and is passionate about helping patients restore function, reduce pain, and improve their quality of life.

Tayla's interest in Physical Medicine and Rehabilitation is deeply personal. After her grandmother was diagnosed with ALS, Tayla became one of her caregivers and was inspired by the impact of physiatric care. Outside of work, she enjoys spending time with family and friends, cooking, shopping, and trying new restaurants.
