

EDUCATION & SPECIAL ACHIEVEMENTS

- Dr. Kyle Stawitzky is **double board-certified** in **Physiatry** and **Primary Care Sports Medicine**. He specializes in nonoperative orthopedic and musculoskeletal care. **He evaluates and treats spine, joint, and sports-related conditions** with a focus on restoring function, preventing injury, and helping patients remain active.
- Dr. Stawitzky completed his **Physical Medicine & Rehabilitation residency** at **Eastern Virginia Medical School & Sentara Norfolk General Hospital**. He completed his Primary Care Sports Medicine fellowship at **Detroit Medical Center Orthopaedics & Sports Medicine**. His clinical interests include electrodiagnostic testing, musculoskeletal ultrasound, ultrasound-guided procedures, sports injury management, and orthobiologics such as PRP.
- A former collegiate soccer player, Dr. Stawitzky brings a movement-focused approach to patient care and has a strong interest in injury prevention, nutrition, strength training, and performance optimization.

Dr. Stawitzky and his team are fluent in English and Spanish
